Taking Control of Tomorrow

Centerpoint Newsletter. A publication of Options for Independent Living Inc

SPRING ISSUE 2022

From the Director

This newsletter will highlight the different things Options is doing for consumers, some new programs and exciting announcements as we say goodbye to winter.

Early in 2022, Options received a grant award from the Christopher Reeve Foundation. The grant funds are being utilized to start an adaptive recreation program. Adapted recreation equipment is cost prohibitive and can deter people with disabilities from pursuing outdoor recreation activities such as cycling or kayaking. With the grant funds Options has purchased an adaptive tricycle with full electric assist. The newsletter will highlight the tricycle that will be free to use for our consumers.

Options was selected as one of the 45 non-profits participating in Give BIG Green Bay. An online giving event from Noon, February 23rd until Noon, February 24th. This was Options first year participating in the fundraiser. In total, Give BIG Green Bay received almost 2.5 million in donations. Options received over \$20,000 of donations on the giving day. Options is grateful for the support received during the event. The funds received will allow more consumers to be served and programming to grow. Our recent financial audit indicates that of every dollar received .94¢ goes directly to consumer services.

Options durable medical equipment loan program called LEND continues to serve a great need in the communities we serve. Options receives several inquiries each day from consumers in need of medical equipment. The Wisconsin Department of Health Services recently reported in the last three months Options Lend program has saved consumers over \$20,000.

This newsletter will provide you with highlights of the happenings at Options, services available, and what we are doing in the communities we serve.

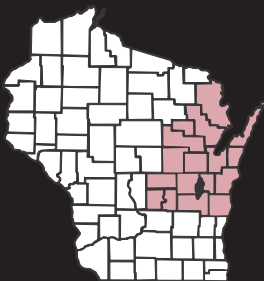

Take care and stay healthy, 

Josh Theis

Consumer Spotlight on AT

Recently our AT Specialist and IL Coordinator, Calvin Richtig and Stacie Scheibe, spent time on Washington Island to assist individuals with barriers to communication, all in an effort to reduce isolation through a community grant Options received for Northern Door County. One of the consumers expressed concern about her ability to stay in contact with friends and family due to her hearing loss and difficulty dialing phone numbers. After spending some time with the consumer and trying several devices, we were able to determine what might be the best solution.

Because we didn't have the exact equipment available at the visit, Options was able to have an amplified cordless telephone sent to her. To assist with her barrier in dialing multiple phone numbers to reach all of her friends and family we tried a device called a FotoDialer, which is a desk top book-like device that has inserts to enter photos or large printed names. The user is able to make a call by pressing a button corresponding with a photo instead of dialing the telephone.

Pictured is a white corded phone connected to a FotoDialer showing 4 pictures of people.

Upon successful trial with the devices, we were able to apply for funding assistance through the Wisconsin Public Service commission using the Telecommunications Equipment Purchase Program (TEPP) voucher. With the combined support of the Washington Island Community Health Program and Options for Independent Living, we were able to provide a solution for this consumer that allows her to continue to communicate with her friends and family. ○

Mental Health Resources

Upcoming Certified Peer Specialist Training

Options will be hosting a publicly funded virtual Certified Peer Specialist training this summer. Classes will be spaced out over a few weeks in July- August for a total of 48 hours of class time. Classes dates will be announced in April. For more information or to apply for the training please visit the WI Certified Peer Specialist website at <https://www.wicps.org/>.

Peer Recovery Center of Excellence

Through a grant from SAMHSA the Peer Recovery Center of Excellence was developed to promote and support the utilization of peer support nationwide. The Center is able to offer no-cost training and assistance to entities that are looking to establish or build their own peer recovery support services. Assistance is also offered to peers and organizations across the country.

Check them out online to learn more about peer-led recovery, upcoming training and events, and explore their library of resources available. Their website can be found at: <https://peerrecoverynow.org/index.aspx>.

Do you feel ...Alone? ...Sad? ...Anxious? ...Unsure? ...Angry? ...Numb?

You're not alone! Millions of Americans throughout the U.S. are struggling with many different feelings, thoughts and reactions to the unique challenges continuing as a result of the pandemic. How people respond to different situations is different for each person and there is no "right" or "wrong" way to cope. Just like taking care of our physical health is important, so too is taking care of our emotional and mental health. Everyone has emotional and mental health needs. Being aware of available sources of support can be a helpful start to taking care of YOU!

Recreation News

Options Receives a \$25,000 Quality of Life Grant from the Reeves Foundation!

Options is proud to announce that it has been awarded \$25,000 as part of the Christopher & Dana Reeve Foundation National Paralysis Resource Center (NPRC) 2021 2nd Cycle Direct Effect Quality of Life grants. Options will use the grant for enhancing recreation opportunities for people with disabilities within our community.

Options has purchased an ICE Adventure 26 RS Fast Track recumbent trike with adaptive accessories to make it usable by a large variety of individuals with disabilities who are unable to use a standard bicycle or recumbent bike. The trike offers stability for those who struggle with balance or spasticity. The foot driven pedal system has five levels of electronic assist for those who are unable to pedal independently or need assistance in completing longer rides.

The adaptive trike can also be completely electronic driven for those who don't have the capability to pedal with their legs, for up to thirty miles. The trike will be individually setup with the user by a trained Assistive Technology Professional. It comes with safety equipment and available in an enclosed trailer so that you can take it wherever you want to use it to achieve your recreational goals. Pictured is Andrew Tschampl in Options' new bike. He is wearing a lime green helmet with a packer sweatshirt. Also pictured is Calvin Richtig, Options AT Specialist. He is standing by his bike and is wearing a blue jacket and white helmet.

Options would like to thank the Christopher & Dana Reeve Foundation for making such an incredible opportunity for people living with paralysis available to the community. This grant has initiated the creation of an adaptive recreational program that will provide opportunities for people to access equipment that would be otherwise unaffordable and inaccessible for many people living with disabilities.

For more information on the adaptive Trike at Options, please contact Calvin Richtig, Options AT Specialist, at 920-393-1037 or email him at calvinr@optionsil.org.

Funding for this program was made possible through a cooperative agreement with the Administration for Community Living (ACL grant #90PRRC0006-01-00) 

Interested in Sailing? The SEAS in Sheboygan is the Place for You!

Here at SEAS, we are proud to provide sailing and racing opportunities for those in Sheboygan and the surrounding communities who have a wide variety of physical or cognitive impairments.

Our goal is to assist our disabled sailors in growing confidence and a sense of freedom through empowering experiences on the water, enabling a strong sense of self that they can carry with them to their daily lives. This is a unique opportunity for the sailors who come through our program to take charge of a boat on their own or in a group of friends and family.

Our Adaptive Sailing program is based on this goal, and we take it seriously. While we continue to grow our program's ability to accommodate all needs, we must evaluate prospective students on an individual basis to determine our ability to provide a safe and fun learning environment. If you are accepted into our Adaptive Sailing program, there is no additional fee for instruction once you become a SEAS Member. Find out more at: <https://www.seasheboygan.org/adaptive-1>.

If you are interested in becoming a student please contact our Adaptive Coordinator:

juju@seasheboygan.org. 

WI State Parks Update

With spring and summer right around the corner, looking to reserve a spot for camping in WI state parks is on a lot of minds. For those unable to use outdoor campsites, the Wisconsin State Park System offers 10 accessible cabins. There are 8 larger cabins and 2 smaller, rustic cabins. These cabins are available only to people with disabilities and their guests and must be reserved ahead of time.

Reservations are needed for all accessible cabins in the Wisconsin State Park System. Only one reservation period will be confirmed per application. Due to the high demand, reservations will not be accepted for more than four consecutive nights and no more than four nights per year. There is a \$7.95 reservation fee in addition to the nightly cabin rate. The first day to make reservations is January 10. We will not accept applications postmarked or delivered before January 10.

The reservation request form lists cabin details, rules and regulations, rates, refund information and reservation conditions. Campers must fill out the form completely. This application does not guarantee your reservation - the property office will notify you when your reservation has been confirmed.

Mail or deliver your completed Cabin Reservation Request Form to the state park/forest where you wish to reserve a cabin. Disabled applicants must identify themselves (or one of their camping party) on the application form. The addresses are listed on the form. Please make sure the envelope is marked "Cabin Reservation".

You may reserve any cabin by calling the park between June 1 and the season's end, Monday-Friday, 9 a.m. to 4 p.m., or visiting the website at:
<https://dnr.wisconsin.gov/topic/parks/camping/adacabins/availability>

Accessible Lodges/Resorts, Bed and Breakfast, and Tour Company for Vacation Fun!

Resorts/Lodges with Accessibility

- Pine Forest Lodge, Mercer, WI (715) 476-2241
<http://www.pineforestlodge.com/index.htm>
 or <https://pineforestlodge.com/about-us/>
- Sunrise Lodge, Land O'Lakes, WI (800) 221-9689, (715) 547-3684,
www.sunriselodge.com
- Sunset Pines Resort, Willard WI (715) 267- 8969, www.sunsetpinesresort.com

Accessible Bed and Breakfast

- Welcome HOME, Newburg WI (near Cedarburg) For information or reservations:
 Call (262) 675-2525 or www.welcomehomebb.co

Accessible Travel Tour Company

- Abel Trek, Reedsville WI (800) 205-6173 or <https://abletrektours.com/>

Please note: Options' staff have toured the Bed and Breakfast listed and it is very accessible for individuals who use wheelchairs. We have not toured the resorts or lodges nor have we worked with this travel planner. It is best to call and make sure the type of access you may require will be provided. ○

Fox Valley Wheelchair Wash

Mark your calendars!

For the **FREE** Fox Valley Wheelchair Wash to be held on Friday, April 29th at NuMotion, 920 North Westhill Blvd., Appleton, 11:00 am to 3:00pm.

Power wheelchairs, manual wheelchairs, and scooters will be cleaned and inspected. Lifts and hand controls will also be inspected. CNA's will be available to assist with transfers upon request.

This year we will have to-go box lunches. Each registered attendee is provided with two free meals tickets, one for themselves and one for a guest. Any additional meal tickets can be purchased for \$5.00. Valley Transit will be demonstrating their wheelchair Quantum system. As a reminder, NuMotion is accessible by Valley Transit Bus 15. **Registration is required, please call *Make The Ride Happen* at 920-225-1719 to reserve your spot today!**

This event is sponsored by: NuMotion; Options for Independent Living; Easter Seals; Lutheran Social Services; Make The Ride Happen; The ALS Association; Johnny B; and Valley Transit. 

Please Remember to Vote! Your Voice Counts!

We have three more chances to vote this year...

- Spring Election: April 5th, 2022
- Partisan Primary: August 9th, 2022
- General Election: November 8th, 2022

To check if you're registered to vote, register to vote, request an absentee ballot, find out what will be on your ballot, and more, visit: www.myvote.wi.gov.

In Wisconsin, you can register to vote 4 different ways:

- Online at myvote.wi.gov/ This requires a photo ID and can be done up to 20 days before the election.
- By Mail This can be done up to 20 days before Election Day. Mail in the completed registration form to your municipal clerk.
- In-person at the municipal clerk's office through the Friday before the election. You must provide proof of residence.
- On Election Day at your polling place. You must provide proof of residence and a photo ID.

To find out about acceptable forms of Proof of Residence visit:

<https://myvote.wi.gov/en-us/ProofofResidence>

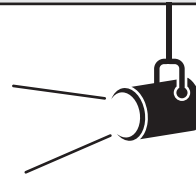

To find out about acceptable forms of Photo ID visit: <http://bringit.wi.gov>

Have Questions? Any of the resources below can help!

- Wisconsin Elections Commission: <https://elections.wi.gov/> or call 1-866-VOTE-WIS (868-3947)
- Department of Motor Vehicles (DMV) Voter ID Hotline: 844-588-1069
- WI Disability Vote Coalition: disabilityvote.org/

Consumer Spotlight on Benefits

Karin Zuleger, Options Work Incentive Benefits Specialist

Options Benefits Specialist, Karin Zuleger, worked with a consumer who mentioned the Social Security benefit she had received based on a parent's record had stopped more than 15 years ago. Based on the details she provided, Karin questioned if the benefits should have stopped. With the consumer's permission, Karin followed up with Social Security to find out why they stopped the benefits. As a result of this inquiry, Social Security looked into the consumer's case and determined the benefits should not have stopped. Social Security is now in the process of reinstating the benefits for the consumer. ○

Still Wondering about Getting Your COVID Vaccinations?

Have you decided you want to get your COVID vaccines, but find it difficult to figure out where to go, how to get there, what happens if you cannot leave your home, etc. If you need help getting your shots call us. Options is here to help people with disabilities.

We can help you with:

- Finding places/ways to get the COVID-19 vaccine
- Registering for the vaccine appointment
- Finding transportation to the site or help to pay for transportation
- Help finding a nurse to come to you

Call us today! (920) 490/0500 V/Relay or 888-465-1515 toll-free.

Get free at-home COVID-19 tests

Every home in the U.S. is eligible to order four (4) free at-home COVID-19 tests. Orders will usually ship in 7-12 days. Order your tests now so you have them when you need them.

<https://special.usps.com/testkits>

Need help placing an order for your at-home tests?

Call 1-800-232-0233 (TTY 1-888-720-7489). ○

Wisconsin WisLoan Program

WisLoan is a statewide alternative loan program helping Wisconsin residents with a disability purchase assistive technology that assists them in living more independently and productively.

Any Wisconsin resident with a disability over the age of 18 in need of assistive technology or home modifications is eligible to apply for a loan. Some examples of assistive technology include wheelchairs, hearing aids, Closed Circuit Televisions (CCTV's), and vehicles with modifications, or the modifications necessary to make a vehicle accessible.

For more information or to apply for WisLoan call Options at 920-490-0500 or toll-free at 1-888-465-1515.

WisLoan is a federally-funded project of the National Institute for Disability and Rehabilitation, and a cooperative service of the Wisconsin Dept. of Health Services, IndependenceFirst, and BMO Harris Bank. ○

WisLoan + Telework

Telework Loan Program

The Wisconsin Telework program is a statewide, alternative loan program that allows Wisconsin residents with disabilities to purchase computers and other equipment needed to work from home or from other remotes sites, e.g. work on the road or at a telework center.

Loan funds can be used to purchase equipment, training to use equipment, extended warranties, and cost of maintenance and repairs. For more information, contact the staff at Options for Independent Living at 920-490-0500 or toll-free at 1-888-465-1515.

This program is made possible through a grant from Rehabilitative Services Administration and authorized by Section (303)b of the Rehabilitation Act of 1973, as amended and implemented by subsequent program regulation 34 C F R Part 373. The Department of Workforce Development-Division of Rehabilitation received the grant and provides programmatic and fiscal oversight. IndependenceFirst, a community based and consumer-controlled independent living center based in Milwaukee, administers the program in partnership with BMO Harris Bank and Wisconsin Independent Living Centers. ○

Options Personal Assistance Program Expands to Offer Services to CLTS Consumers

Options' Personal Assistance Services (PAS) Program empowers people & families with disabilities to manage their in-home cares, including the selection of their Care Worker so that they can maintain a strong relationship with them and remain involved in the daily life of their family.

Certified to provide services through Medicaid and to sub-contract services through IRIS, Options' PAS program has been helping adults in need of in-home cares for years. Options PAS expanded to begin providing services for CLTS, Children's Long Term Support, child consumers in our service area.

With waiting lists for CLTS services in every county, Options began by establishing contracts in Brown & Manitowoc Counties and is looking to gradually expand to all 17 counties in our area.

If you live in Brown or Manitowoc Counties and would like to receive CLTS services through Options, contact your Case Manager at the County Health & Human Services department. If you live in other counties in our service area, contact Options' directly and they will reach out to the county to establish a contract.

CLTS Services Offered: Supportive Home Cares, Respite Care, and Daily Living Skills

Benefits of Using Options for CLTS Services:

- Options is not a Staffing Agency. Families are expected to have adult siblings, extended relatives &/or family friends provide care to encourage the child's participation in family life & have long-term consistency in cares.
- As a child ages out of the CLTS program, they can transition into Options' adult PAS services without interruption in care.
- A Case Manager will provide supervision of the Care Worker & coordinate service needs with the County.
- Competitive wages based on the child's level of need.
- Benefits including Health, Dental & Vision insurance as well as Retirement Savings Accounts for full-time Care Workers (30+ hrs/week).

For More Information Contact:

Val Tschampl – PAS Program Director valeriet@optionsil.org 920-393-1036 Toll Free: 888-465-1515 ext 182	or	Jennifer Lardinois – CLTS Case Manager/Care Coordinator jenniferL@optionsil.org 920-393-1032 Toll Free: 888-465-1515 ext 181
--	----	---

Options has HOME funds for Home Accessibility, Rehabilitation, or Repair

The HOME Loan Program provides deferred payment/no interest second mortgage loans to make homes accessible or make home repairs. The loans are focused on providing resources to households that include someone who has a disability or is older and is at low-to-moderate income status.

Options receives funds for the HOME from the US Dept. of Housing and Urban Development through the State of Wisconsin Dept. of Administration, Division of Housing to administer the HOME Investment Partnership Program (HOME Loan Program).

The loan must be paid back when the property is sold, transferred or ceases to be the borrower's principal place of residence. Types of projects include (but not limited to) ramp construction, bathroom, kitchen and bedroom modifications, along with general housing rehabilitation and repairs.

The counties served by this program include Brown (outside Green Bay City limits), Calumet, Door, Fond du Lac, Green Lake, Kewaunee, Manitowoc, Marinette, Marquette, Menominee, Oconto, Outagamie, Shawano, Sheboygan, Waupaca, Waushara, and Winnebago Counties.

Applicants must meet the eligibility requirements to be considered for a loan. For more information contact Steve LaFrombois at stewel@optionsil.org, 920-393-1044, or toll-free at 1-888-465-1515, ext. 122. 

What is the Telecommunications Equipment Purchase Program (TEPP)?

TEPP helps people with disabilities buy equipment they need in order to use basic telephone services. The TEPP is paid for by the Wisconsin Universal Service Fund (USF) established by the Public Service Commission. Money is collected from Wisconsin telephone service providers to fund the USF. TEPP requires that an applicant:

- Be a Wisconsin resident.
- Be a person who is deaf, hard of hearing, speech impaired, or mobility or motion impaired.
- Needs special equipment to use the telephone in the home or when traveling (like a TTY, amplification, visual alert system, etc.).

There is no age or income limit, but an individual can only get a TEPP voucher once every three years for the same type of disability. For more information on the TEPP program contact Calvin Richtig, Options AT Specialist at 920-393-1037. 

Important Program Update News for the Emergency Broadband Benefit Program

Congress created the Affordable Connectivity Program, a new long-term, \$14 billion program, to replace the Emergency Broadband Benefit Program. This investment in broadband affordability will help ensure we can afford the connections we need for work, school, health care and more for a long time.

Households enrolled in the Emergency Broadband Benefit Program as of 12/31/21 will continue to receive their current monthly benefit during a 60-day transition period.

What's changing?

- The maximum monthly benefit will change from \$50 per month to \$30 per month for households not located on qualifying Tribal lands. The monthly benefit will remain at \$75 per month for households on qualifying Tribal lands.
- Households have new ways to qualify for the Affordable Connectivity Program such as: receiving WIC benefits or having an income at or below 200% of the Federal Poverty Guidelines.
- Households that qualified for the Emergency Broadband Benefit due to a substantial loss of income as a result of a job loss or furlough since February 29, 2020, or by meeting the eligibility criteria for a participating provider's COVID-19 program, will need to requalify for the Affordable Connectivity Program. These households will receive additional details about the steps they need to take from the program administrator (USAC) or their internet service provider, in January 2022, and will be given at least 30 days to respond. They will continue to receive their full Emergency Broadband Benefit until March 1, 2022.

Most Emergency Broadband Benefit households will not have to take any action to continue receiving the new \$30 monthly benefit after the transition period ends on March 1, 2022. If your out-of-pocket costs will increase as a result of the reduced monthly benefit amount, your service provider will contact you to let you know if you need to take any additional steps in order to continue receiving the Affordable Connectivity Program benefit.

Households located on qualifying Tribal lands will continue to receive a \$75 monthly benefit and will not need to take any action to continue receiving the Affordable Connectivity Program benefit.

After the transition period ends on March 1, 2022, the monthly discount for all legacy EBB participants not located on qualifying Tribal lands will be reduced to \$30. Contact your provider if you are concerned about a possible increase in your monthly service bill or are interested in changing to a different service plan.

Have questions about the transition from the Emergency Broadband Benefit to the Affordable Connectivity Program? Check out the Emergency Broadband Benefit FAQ for more information.

Tech Closet News

OPTIONS AT Specialist can assess an individual with a disability to determine the role assistive technology can play in achieving greater independence. For more information on the pictured technology or other assistive technology that can help you reach your goal of independence, contact Calvin Richtig, **OPTIONS** AT Specialist, at 920-393-1037 or toll-free at 888-465-1515 ext 130.

Assistive technology partially supported by the WisTech, Assistive Technology Program.

Telecommunication partially funded by the Universal Service Fund (USF.) 

Adaptive Switches

An adaptive switch is a simple access device that allows a person with mobility or coordination limitations to interact with electronic devices. A switch can be activated by pressing a button with a finger, fist, chin or just about any other body part. It can also be activated by blinking, twitching, making a sound, sipping or puffing into a straw or making a motion. Switches can be used to interact with toys, computers, tablets, lights, doors, televisions, wheelchairs even playing video games.

Options for Independent Living has a large variety of adaptive switches and staff that are trained to assess the most appropriate devices that will allow you to control equipment that is difficult or provide access to things you didn't think you would be able to use. Contact Calvin at (920) 393-1037 to learn more about how switches may help you access simple or complex electronics that you are struggling with and provide you with more independence. Pictured are many switches of different sizes, shapes and colors. 

Support Options on Amazon Smile

AmazonSmile is a program that donates 0.5% of your eligible purchases on Amazon to a charity of your choice. The process is easy. All you need to do is start your shopping at smile.amazon.com. and choose Options as the charity of your choice. The donation is made at no cost to you. It can also be used in the Amazon shopping app once activated. So shop and support Options at the same time. Options thanks you! 

Welcome Brian Miller, Independent Living Coordinator for the Fox Valley area

Options is excited to announce we have a new Independent Living Coordinator based in the Appleton office, Brian Miller. He is an Occupational Therapy Assistant and comes to Options with a wealth of knowledge in working with people of all ages who have temporary and permanent disabilities.

Brian states he is “looking forward to serving people with disabilities, and those who are aging, and their vast array of needs in the community”.

We are happy to have Brian on staff! ○

Want to Get Involved in Legislative Advocacy? Join Act Now!

Do you want your voice heard, but feel just your voice alone would not be enough? Join Options legislative advocacy network, Act Now! Individuals in the network receive legislative alerts and updates on issues impacting people with disabilities. When an alert or update is received, everyone on the network is encouraged to pursue the issue by contacting their area legislators, therefore combining your voice with many! Act Now alerts can be delivered either through email or US Postal Mail.

Contacting your legislators about issues that may affect you, or someone you know, is important. Your legislators want to hear firsthand how legislation being considered can impact your life positively or negatively. It helps in their decision making. Joining Act Now will assist you in those efforts. This network will educate you on the issues and help you to advocate more effectively. The more people in the network, the greater the impact.

If you are interested in joining Act Now, contact Sandy Popp at Options (920) 393-1043 or toll-free at (888) 465-1515, ext.179. ○

Vision and Mission Statement

Vision Statement: *OPTIONS FOR INDEPENDENT LIVING* empowers people with disabilities.

Mission Statement: *OPTIONS FOR INDEPENDENT LIVING*, serving people with disabilities in 17 counties of Northeast Wisconsin, is the pre-eminent non-profit organization of choice to empower people with disabilities. Options provides opportunities, through advocacy and education, for individuals with all disabilities and ages, to actively access their communities, maximize their independence, and connect with the resources and funding available to them.
